Care for the Children

Children feel the debility of the changing seasons, even more than adults, and they become cross, peevish, and uncontrollable. The blood should be cleansed and the system invigorated by the use of Hood's Barsaparilla. "Last Spring my two children were vacci-nated. Soon after, they broke all out with run-ning sores, so dreadful I thought I should lose them. Hood's Sarsaparilla cured them com-pletely; and they have been healthy ever since. I do feel that Hood's Sarsaparilla saved my children to me." Mrs. C. L. THOMPSON, West Warren, Mass.

Purify the Blood

Hood's Sarsaparilla is characterized by three peculiarities: 1st, the combination of remedial agents; 2d, the proportion; 3d, the process of securing the active medicinal qualities. The result is a medicine of unusual strength, effecting cures hitherto unknown Send for book containing additional evidence "Hood's Sarsaparilla tones up my system, purifies my blood, sharpens my appetite, and seems to make me ever." J. P. THOMPSON, Register of Deeds, Lowell, Mass. "Hood's Bursan parilla beats all others, and is worth its weight in gold." I. BARRINGTON, 130 Bank Street, New York Chy.

Brother Z. F. Hickman, of the Leasburg Buckeye, has severed his connection with the paper, and left yesterday morning for other fields. Brother Hickman had been with us about a year and a half, and during his stay here made many wasen friends as wall as enemics. His cause for leaving was that the expense incurred in running a newspaper here, was greater than he could aford, and being considerably involved and saving very clearly that he could not get out, he did the most sensible thing pessible, closed out his office and squared up his business and paid up his debts as far as possible, and left for other fields, to grow up with the country. As we predicted some time since that the Buckeye would not stay under its present managers, so has it proved to be. We are informed that Messu. Taylor and Bird will continue the paper in our midst. We wish them process, as well as Erother Hickman in his new field.
